

Building Unity Campaign Update

Unity Christian would like to share some exciting news with our community, as it has recently developed.

As of the beginning of October 2017, Unity had \$3.8 million left to raise to cover the cost of the Building Unity Campaign and become debt free. Last week we were informed of a \$2 million gift by a donor towards the campaign. The first \$1 million of that gift will be received in the next week. The second \$1 million is going as a **matching gift** to all new pledges and funds raised for the campaign. Unity has already received \$150,000 in gifts and pledges towards that match in 1 week. Once the matching gift is met, the Building Campaign will only have \$800,000 left to raise to finish the campaign and be debt free.

Unity is thrilled to share this news with our community. We thank you for your support and prayers that you continue to provide for the school, our students & staff, and our community. We have been truly blessed by the Lord's faithfulness.
