

UNITY... FAITH, EXCELLENCE, SERVICE

HOME BULLETIN

March 29, 2018

Created to Worship is Unity's chapel theme this year.

*Why are you downcast, O my soul? Why so disturbed within me? Put your hope in God,
for I will yet praise him, my Savior and my God. Psalm 42:11*

Our theme for March has been, "Why, Lord?" When difficult things happen in our lives, we find ourselves asking God, "Why?" Being able to say, "Why God?" is also a significant part of our communication with God. We need to realize the importance of going to God with our pain, anger, frustration, and questions – knowing that God is faithful, and he will never leave us for forsake us.

Our theme for April is: Live the Life.

6. **STORAGE SHED:** Unity's Construction class is looking to build a storage shed during the fall semester of next school year. If you are interested in having one built for you or for more details, contact Steve Gruppen at sgruppen@unitychristian.org.

7. **CONGRATULATIONS TO UNITY STUDENTS:**

- **Congratulations to the Science Olympiad Team** who participated in the regional competition at Grand Valley State University on Saturday, March 17. Unity's team competed against 25 other schools from around the area. This year there were 23 events ranging from ecology, astronomy, material science, forensics, and write it, do it, to some new events such as mousetrap vehicle, herpetology, and mission possible. It was a great day for Unity's Science Olympians.

The team members this year are:

Freshmen: Jonny Boelema, Jennette Frens, Henry Kloosterman, William Terpstra, Cole VandenBosch

Sophomores: Jared DeVille, Jake Hofstee, Samuel Kuipers

Juniors: Jacob Broene, Brendon Hoekstra, Austin Novokawski, Linda Ruan, Ashton Senti, Eli VanDyke, Nathan VanderMeer

Coaches: Jen Koning, Brian Mast, Steve Pohler

Special Congratulations to Ashton Senti and Eli VanDyke for a 2nd place finish in "Helicopters."

Congratulations to all the team members for a great year!

- **Congratulations to the Math Challenge Teams:** On Saturday, March 24, Unity sent two teams of 9th and 10th graders to compete at GRCC in their annual Math Challenge against 17 other teams from area schools. The Silver team made up of Kelsey Brinks, Sam Kuipers, Josh DeWindt, Mackenzie Luurtsema, Jennette Frens and Alison Hoekstra finished 13th overall while the Pink team made up of Megan Velzen, Kailyn Skogmo, Nathan Steinfort, Alex Walters, Jordyn DeJong and Morgan Ridder finished 12th overall. These two teams of six worked together through four different events: Team Theme (the teams work together on a series of related problems), Pony Express (the team is under a 20-minute time pressure to solve six challenging problems, the Written Quest (each team takes a 35-multiple choice test with the top four scores counting), and the Relay Rounds (each team member sitting in a row works on separate problems under a 5-minute time, but an answer is needed from the team member in front of him or her to solve his or her problem). Subway and snacks were enjoyed, and prizes including 1-lb. chocolate bars and logic puzzles were won by all in raffles.
- **Congratulations to Unity's Michigan Youth in Government participants.** YMCS's Michigan Youth in Government held their annual convention in Lansing February 22-25. This was Unity's 22nd year in the program and four Unity students participated along with approximately 400 others from around the state.

Franklin Cook, David Cremer, Sam Kuipers, and Sarah Terpstra, as well as Raenah Lindsay from East Grand Rapids attended along with Mr. Johnson. All played the role of legislators in the House and Senate. Students prepare for the weekend by researching and writing their own bills. While in Lansing, they debated not only their own ideas, but also many others. They met at the Capital, using the House and Senate chambers.

“It’s a great experience for the students,” said Mr. Johnson, “It gets them out of West Michigan and gives them a chance to meet other students, to share their own ideas and beliefs.”

Other areas students can be involved in include a Mock Judiciary Process, national issues forum and the press corp. The entire conference gave the students time to make friends with people of varying viewpoints from around the state, as well as allowed for them to be Christian witnesses to other schools.

“It was a ton of fun; I had a great time and was able to see how our state government works. I wish I had started as a freshman instead of waiting until my junior year,” said Terpstra.

The weekend closed with a banquet on Saturday night, finding out who the Youth Governor would be next year, and which bills had been passed. Overall, MYIG is a fun, interesting, and enlightening experience and provides the students with a broader worldview and a chance to learn more about politics, government, and speaking up about the things that are important to them.

- **Congratulations to the Chamber Strings and Concert Orchestra:** Congratulations to the many students who participated in the State Solo and Ensemble Festival on Saturday, March 18. These students received a first division rating at District Festival in early February, and then went on to participate in the State level. Every student received a first or second division rating:

Congratulations to: Sydney Freerksen (violin), Ashley Freerksen (violin), Madeline Bronson (violin), Nolan Snoeyink (violin), Micah Huisman (cello), Grace VanderHart (violin), Dani Vanderwal (violin), Megan Velzen (piano and violin), and Brad Walters (bass).

Also, a special congratulation to Ashley Freerksen (violin) for making the Michigan Youth Arts Festival and qualifying to play with the State Honors Orchestra. Ashley will be going to Western Michigan University the weekend of May 10-12 to play with other qualifiers throughout the state in the honors orchestra. This is one of the highest honors in the state of Michigan! Congratulations!

The Chamber Strings will be performing on **Sunday, April 22, 2018 (7:30 p.m.)** at St. Cecilia Music Society in downtown Grand Rapids. They will be performing their senior solo night, taking time to honor seniors in the talents the Lord has given them.

The Spring Concert for the **Chamber Strings** and Symphonic Band will be held at **7:30 p.m.** on **Tuesday, May 8**, at Fair Haven Ministries. This is a night that will showcase the groups and the year they have had, as well as recognize the seniors.
