

# PREP 41 - LENT 2019

## HOW TO USE THIS CALENDAR:

- Ash Wednesday marks beginning of the season of Lent.
- Based on **Jesus' 40 days** in the desert without eating, **Christians often use the season to reflect** of Christ's sacrifice by giving something up or starting a spiritual practice: **Prep 41**.
- Every Monday-Friday: **read the given Bible passage** and spend 4 minutes reflecting. Use the weekends to catch up on readings if you get behind.
- On Easter Week, there are 7 readings, ending with Easter Sunday.
- **Suggestions and ideas for prayer** will be given via social media as we go through the season of lent.
