Tech Center (Sophomores and Juniors): A number of Unity sophomores and juniors have applied for various programs at the Careerline Tech Center. Since there will not be enough openings at Careerline Tech Center to accommodate everyone's application, the following process will be used:

- a. Each high school in the Ottawa Area Intermediate School District is allotted space in each Tech Center program according to school enrollment.
- b. Any student who is attending the Tech Center as a junior and wants to stay in the same program automatically gets one of the slots. Students who want to change programs must reapply for the new program.
- c. Unity counselor, Dan Sanders, meets with the applicants to evaluate their level of interest in the program and to assess possible problems (for example, a history of excessive absences).
 - If all students qualify, numbers are drawn to determine their position.
 - "Wait-listed" students are enrolled in slots as they open. This may occur as late as Labor Day of the new school year.

Be assured Unity and Dan Sanders will do all they can to get a Unity student into the program of his/her choice. If you have questions about Tech Center enrollment procedures, call Dan Sanders. On March 16, Mr. Sanders will be informed if any of our waitlisted students have been placed. Placements will occur through the summer as spots open in different programs.

DANCE AND DRESS CODE

A. DANCE BEHAVIOR (CONDUCT CODE):

- No body surfing
- No moshing (note: up and down is permissible, but no sideways slamming into bodies)
- NO GRINDING: leg between leg, front to front, back to front.
- Any other behavior deemed inappropriate by chaperones working the dance floor.

Students who choose to break these rules will be given a verbal warning. If a second incident occurs at the same dance, the parents will be notified and the student will be asked to leave the dance.

If in the judgment of the chaperones the behavior is a blatant disregard of the rules and/or if the student's attitude is one of disrespect or defiance, parents will be notified and students sent home without a 1st warning.

B. DRESS CODE FOR WINTER DANCE AND PROM:

This dress code must be met to be admitted to the dance. It is not written to restrict personal preferences in student dress, but rather to ensure a wholesome social activity. WE believe, with parental help and guidance in the formal/semiformal wear selections, our dress and behavior can reflect our values, and the Christian school we are and to whom we ultimately belong.

Semi-formal/Formal Dress Code:

- No jeans or t-shirts
 - Shirts must remain on and buttoned
 - Shoes must be worn except when on the dance floor
 - Dresses must extend to mid-thigh
 - No breasts or cleavage visible from any angle – top or side
 - Open backs must be natural waistline or higher (note: this is natural *waist* line, not hip line)
 - Strapless and halter style dresses will be acceptable as long as coverage is complete and still passes dress code while dance.
- Those students deemed inappropriately dressed will be given four choices: 1) fix it, 2) call their parents to bring them an appropriate cover-up, 3) wear a supplied shirt over or under their outfit, or 4) leave the function, in which case their parents will be notified.
 - We are very willing to take a look at your dinner dance wear in advance to make sure that it meets the dress code.

If you have any questions, call Laura Brinks (669-4680).
