

# PREP 41 - LENTEN READING CHALLENGE

In preparation for Easter, each weekday during Lent we have provided passages to look up and read (approximately **four** minutes of reading time). After reading the passage we encourage all who participate to reflect on the passage in prayer for approximately **one** minute. Our hope is for everyone to spend five minutes, five days a week in preparation for Easter Sunday.

This year we are focusing our reading on the Gospel of Mark and the book of Proverbs. Mark's Gospel gives readers a firsthand account of Jesus' ministry through his ascension into heaven. Complimenting each daily reading from Mark is a single Proverb. These verses of wisdom literature provide clear insight for Christ-followers toward a Spirit filled life.
