

# INCLUSIVE EDUCATION PROGRAM

Unity Christian Educational Support Services

## Who We Serve

**Meeting the needs of students and Preparing them for the future through a Christ Centered Education**

We serve students with cognitive impairments or severe learning disabilities who may benefit from education and training until they are 26 years old.

After 4 years at Unity, students earn a Certificate of High School Completion.

Earning this certificate allows for transition to:

- Community Based Instruction (CBI)
- Project Search– Spectrum Health
- Open a case with Michigan Habilitation Services

### Goals in Action

- **Increasing Faith**
  - Daily Chapel
  - Service Opportunities
  - Bible Classes
- **Experiencing Community**
  - Peer mentoring
  - Brew Crew Coffee Shop
  - Extracurricular activities
  - Connections Programs
- **Maximizing Gifts & Talents**
  - Inclusive classes
  - Math & Language Arts
  - Daily Living Skills
- **Preparation for life after high school**

### Our Program

- **Inclusive Education Classes**– where students attend class with their peers and use adapted materials. Classes include P.E., art, choir, Bible, science & history.
- **Life Centered Education**– Where students learn employability skills through various off and on campus sites and through our community partners
- **Special Education**– Math & language arts classes designed specifically for each student
